DETAILED ACTION

Acknowledgment

1. The amendment filed on 4/28/2005 has been entered.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mrs. Patricia Costanzo on 5/3/2005.

The application has been amended as follows:

Claim

Claim 5 cancelled.

Claim 11, line 15, before "second mounting member" insert – said --

Claim 11, line 18, after "with fourth mounting member" delete "adapted to engage with third mounting member"

Claim 11, line 18, before "fourth mounting member" insert – said --

Allowable Subject Matter

3. Claims 11-18 and 21 are allowed.

Art Unit: 3618

4. The following is a statement of reasons for the indication of allowable subject matter: The prior art does not teach the foldable golf-bag transporting golf-cart/golf-bag as recited in claims 11 and 21, which include a first mounting member shaped in a sliding dovetail manner and a second mounting member shaped in a sliding dovetail manner complementary to the first mounting member. The foldable golf-bag transporting golf-cart/golf-bag also includes a third mounting member fixedly attached to a base region of the golf-bag and a fourth mounting member fixedly attached to a lower end of the golf-cart main frame. Wherein the first mounting member engages with the second mounting member and the third mounting member adapted for fitting engagement with the fourth mounting member. This recitation, in combination with the rest of the recited elements, clearly defines over the prior art.
